

# TOOTH FAIRY SONG

By: J-B Kindergarten

## VERSE 1:

I always brush my teeth  
Each and every day  
But sometimes my teeth wiggle  
And this is what I say:

## CHORUS:

Tooth Fairy, Tooth Fairy, come in through my window  
Leave me some money and take my tooth  
Tooth Fairy, Tooth Fairy, come in through my window  
While I'm fast asleep.

## VERSE 2:

Gotta take care of my teeth  
Even after snacks  
'Cause if I lose my big ones  
No more will grow back!

## CHORUS
