

The Little White Duck
Lyric Sheet

VERSE 1

There's a little white duck sitting in the water,
There's a little white duck doing what he ought-er.
He took a bite of a lily pad
Flapped his wings and said, "I'm glad
I'm a little white duck sitting in the water,
Quack, quack, quack!"

VERSE 2

There's a little green frog swimming in the water,
There's a little green frog doing what he ought-er.
He jumped right off of the lily pad
That the little duck bit and he said, "I'm glad
I'm a little green frog swimming in the water,
Glumph, glumph, glumph!"

VERSE 3

There's a little black bug floating in the water,
There's a little black bug doing what he ought-er.
He tickled the frog on the lily pad
That the little duck bit and he said, "I'm glad
I'm a little black bug floating in the water,
Chirp, chirp, chirp!"

VERSE 4

There's a little red snake laying in the water
There's a little red snake doing what he ought-er
He frightened the duck and the frog so bad
He ate the little bug and he said, "I'm glad
I'm a little red snake laying in the water,
Sss, sss, sss!"

VERSE 5

Now there's no body left sitting in the water
There's nobody left doing what they ought-er.
There's nothing left but the lily pad
The duck and the frog ran away, it's sad
That there's nobody left sitting in the water
Boo Hoo Hoo!
